

Since 1870, the
National Weather
Service has been
providing the
nation with the
best possible
service in the
protection of life
and property.
That is why I call
them MY
weather service.

For more information about how the **National Weather Service** can better serve you or to discover what the various weather symbols at the bottom of this brochure mean, go to <http://weather.gov/nws>

Interested in learning more about the how's and why's of weather? Go to **JetStream**, our online weather school at <http://www.srh.weather.gov/jetstream>
